

Dressage Year End Scores

Scores are averaged over the best 4 within the same level, for the same horse/rider pair. Data is updated through September 1. With 2 shows left to go, there will be no further posted updates, and the list below represents participants who could still qualify for Year End Awards under the “must have 4 shows” rule. Table is presented in alphabetical order by Rider first name.

Any questions, please contact Tammy at tleventer@gmail.com

Rider	Horse	YE Div	Average	Shows
