Rules & Notes:

- Must show in both the Speed and Jump-Off classes at the same level at the same show for earned points to count.
- Results based on horse/rider combination
- Results NOT split by level. DLSC reserves the right to combine or split Jumper divisions for Year End Awards based on final participation/qualification.
- Must show at 4 different shows (in both classes in at least 1 jumper level) for scores to qualify for year end awards. All participation and points are tracked automatically.
- No more than 2 consecutive jumper levels per show will count towards final point total. However riders may use participation in lower levels as qualifying show numbers. HC rides will count towards participation without points.
